**SCHEDULED PUBLIC HEARINGS**

**Subject Title: BR - Blue Ridge Refinancing of Debt - Public Hearing - 6:00 P.M. (Place Holder)**

**Presented By: Thom Eure**

**Summary of Information:** Blue Ridge seeks the County Commissioners' support regarding refinancing of the hospital's existing debt. Given the current complex economic environment coupled with dramatically low interest rates, Blue Ridge proposes to refinance its existing debt (the 2010A and 2016A Bonds) and finance improvements to its hospital campuses both in Morganton and Valdese through the use of tax exempt bonds (the "Bonds") that will be issued by the Public Finance Authority (the "Authority") of the State of Wisconsin. Robinson Bradshaw and Hinson out of Charlotte is serving as bond counsel and outside counsel to Blue Ridge. The Authority and Blue Ridge are requesting the County to approve the issuance of the Bonds for purposes of Section 147(f) of the Internal Revenue Code and consistent with the applicable Wisconsin law. In order to accomplish that approval, the Authority and Blue Ridge requests the County to hold a public hearing at its regularly scheduled meeting in June 2020 to receive public comment on the proposed issuance of the Bonds and adopt a resolution approving the same. The financing of facilities by the issuance of bonds through the Authority has been done by several entities within the State of North Carolina. **The proposed Bonds to be issued will not constitute a debt of Burke County nor will Burke County have any obligation to repay the debt.**

The Board of Commissioners' consideration of this item is **only** required due to Federal tax law, along with the requirements of the State of Wisconsin, as more specifically described below.

Federal tax law requires that tax-exempt bonds issued to finance facilities for non-profit entities be approved by the elected legislative body of the governmental units that (a) control the issuer of the bonds and (b) have jurisdiction over the area in which the facility is located after holding a public hearing. The Wisconsin law governing the issuance of bonds by the Authority requires bonds issued to finance or refinance facilities be approved by the governing body or highest-ranking executive or administrator of the governmental unit that has jurisdiction over the area in which the facility is located. The facilities being financed and refinanced with the Bonds are all within the jurisdiction of Burke County and of course the Board of Commissioners is the governing body of the County.

**Budgetary Effect:** None.

**County Manager's Recommendation:** Approval is recommended.

**Suggested Motion:**

**Hold a public hearing.**

**Adopt Resolution No. 2020-16.**

**Subject Title: Clerk - Appointments to PBHM Board of Directors & CFAC**

**Presented By: Kay Draughn**

**Summary of Information:** Partners Behavioral Mental Health is the County's LME (Local Management Entity) and provider of mental health services in the County's catchment area. Commissioner Taylor has served as the Commissioners' mental health representative for many years. Having served the maximum number of terms allowed, Commissioner Taylor cannot be reappointed. CFAC also advises Partners on improving effectiveness. Ms. McCrary is willing and eligible to serve another 3-year term ending June 30, 2023.

An application from Mr. Barry Nelson, Vice President of Nursing/Chief Nurse Executive of Carolinas Healthcare System Blue Ridge, is expected soon to fill the position highlighted below.

# 2019 Burke County Child Protection Child Fatality Annual Report

For Burke County Board of Health and Burke County Commissioners

## I. Introduction

In 1993, the North Carolina General Assembly established a network of local Child Fatality Prevention Teams (CFPT's) across the state to confidentially review medical examiner reports, death certificates and other records of deceased residents under age 18. Each local team consists of representatives of public and nonpublic agencies in the community such as law enforcement, Guardian Ad Litem, health departments, among others, that provide services to children and their families.

The purpose of this report is to give a summary of the causes of death, the number of cases reviewed, recommendations for prevention, if any, that have been made and to share local team activities and accomplishments.

## II. Role of the Burke County Commissioners and Board of Health

- Receive annual reports which contain recommendations and advocate for system improvements and needed resources, if requested.
- Appoint members of the local team as identified by the membership.

## III. Child Deaths by Cause, System Problems Identified, Recommendations for Prevention & Proposed Action

In 2019, the Burke County CFPT reviewed 9 child deaths and there were no identified system problems. The team did recommend for all agencies to learn and try to implement trauma informed practices when dealing with children and youth in need.

## IV. Burke County CFPT Activities and Accomplishments

### Examples:

- The annual CFPT Activity Summary was completed and sent by the date requested.
- Individual reports were completed on child deaths reviewed by the team and were forwarded to the State Coordinator.
- Implemented recommendations presented to the Burke CFPT members to initiate more community education for trauma informed practices.
- Participated in two intensive child death reviews and presented information back to the CFPT members when received.
- Purchased and distributed 1,100 magnets for families with infants to educate them on safe sleep practices.
- Purchased six car seats to be distributed to families who cannot afford a seat. These will be installed by certified child passenger safety technicians who will work with community agencies with families in need.
- Collected stickers for parents/caregivers to place on bottom of car seat to identify the child and any medical conditions the child may have. These were distributed to child protective services staff, law enforcement, day care facilities, physician practices, and through Burke County Safe kids.

V. Conclusion

Thank you to the members of the Burke Board of Health/Burke County Commissioners for the opportunity to share with you the successes and dedicated work of the local team as we continue to review child fatalities, make recommendations, and take actions to prevent future child deaths. Please feel free to contact the Health Director, who is the Fatality Chairperson at 828-764-9160, should you have any questions about this report.
