4. Senior Center Director's Report-Community Resource Day on March 25<sup>th</sup> had 144 people in attendance. Becca and staff are busy working on files and paper work for recertification. This includes a great deal of training and paper work. Becca must meet with each employee individually and develop plans for improvement etc.  
The Mayor is scheduled to present a State of the Town address on June 4<sup>th</sup> at 12:00.  
Remember that the senior center has to keep Burke County guidelines in mind for everything it does.
5. Old Business-According to our By-Laws any member that misses three consecutive meetings is off the council. Ann Gibson has missed the last three meetings. Karen will inform Kay Draughn.
6. New Business-Seniors have expressed an interest in both day trips and longer trips. Becca will ask a representative from the Morganton Senior Center Non-Profit to attend the next EBSCA meeting to provide information about trips. It was also suggested that maybe a chili Cook-Off could be included in the next EBSCA pinto bean fund raiser.  
  
Our Advisory council needs to help Becca with paper work etc. to meet the standards for recertification. The first step is for council members to read the requirements for recertification. Becca handed out copies to all present.  
  
The postcards written by our seniors (asking for support for the STHL Legislative Priorities) to our State Legislature to Representative Hugh Blackwell, Representative David Rogers and Senator Warren Daniel were hand delivered by Burke County STHL Delegate Karen Robinson.
